If asked, would you be willing to teach company class and what style would you offer?

Please answer the following questions on the back.

1. What do you hope to gain through your experience with Xclaim?
2. What can you contribute to Xclaim? (ie; experience in fund raising, marketing, administration...)
3. Do you have any experience doing volunteer work with Children or is there anything that would hinder volunteer work of this nature?
4. Do you have any reservations or questions regarding our organization?
5. Where do you see yourself in 5 years? In 10?
